

Summary of Findings – Alt Mobility Assignment

1. Order and Sales Insights

- Most orders are marked 'delivered'; ~30% remain 'pending' or 'shipped'.
- Delivered orders show consistent revenue growth, peaking in Q2 2023.

2. Customer Behavior

- 60% of customers are one-time buyers.
- 30% are returning (2–5 orders); 10% are loyal (6+).
- Clear opportunity to increase retention.

3. Payment Patterns

- 92% of payments succeeded.
- 8% failed; several customers had 3+ failures.
- Recommend improving payment experience or fraud checks.

4. Retention Insights

- Highest return in month immediately after first order.
- Drop-off is sharp by Month 2–3.
- January cohort shows best Month 2 performance.

5. Recommendations

- Reduce pending orders with faster fulfillment.
- Use campaigns to convert returning → loyal buyers.
- Fix PayPal or platform-related payment failures.
- Engage customers at Month 2 to boost repeat rate.
